Phoenix Ireland update – The United Kingdom leaving the European Union on 31 January 2020

A message from David Woollett, Customer Director at Phoenix

“The United Kingdom’s withdrawal from the European Union at 11pm on 31 January 2020 will not impact your policy or the services we provide.

Following the withdrawal there will be an implementation period where the UK will negotiate a new trade agreement with the EU; this is scheduled to run until 30 December 2020. During this time the UK will continue to adhere to European rules, which includes any pensions or other products that you may have with Phoenix Ireland.

We will continue to update our website with any new developments.”
